TOTAL FINANCING - FY PROGRAM		28,471,260				-1,877,294		26,593,966
1/ One of the FY 2005 congressional reports specifically provided funds for this item using the phrases "only for" or "only to", or the item appears in one of the project level tables. Obtain congressional prior approval before decreasing funds on this program.								
2/ This item was specifically reduced by one or more of the congressional committees. A prior approval reprogramming will be required to increase this line item. BTR authority can only be used to restore undistributed congressional reductions. The program amount cannot exceed the amount in the appropriation tables or the original President's Budget request, whichever is less.								
3/ Of the \$28,113,533,000 provided, not to exceed \$7,699,000 can be used for emergencies and extraordinary expenses to be expended on the approval or authority of the Secretary of the Air Force, and payments may be made on his certificate of necessity for confidential military purposes.								
4/ \$750,000 shall only be available to the Secretary of the Air Force for a grant to Florida Memorial College for the purpose of funding minority aviation training.								
5/ O&M Air Force is reduced by \$967,200,000 to reflect cash balance and rate stabilization adjustments in the DoD Transportation Working Capital Fund (TWCF). Not later than 270 days after the date of enactment, the Secretary of Defense shall transfer \$967,200,000 from the DoD TWCF to offset this reduction.
